

Look What CREA Accomplished in 2011

2011

RE magazine featured Loss Control Director Mike Williams and crews from Empire Electric building a safety culture

189,500

magazines printed every month

Legislative Directory App

CREA's popular Legislative Directory is now available as an app for the iPad and/or the iPhone. Launched in 2012, the app was the focus of much of the Publication Department's efforts during the last three months of 2011.

The app can be downloaded for a fee and will be updated with any changes occurring in the General Assembly.

CREA's Executive Director Kent Singer produced **30** editions of *News & Information*, a regular newsletter updating the membership on CREA's activities, the issues lawmakers are working on, what's new in the industry, and what's taking place at Colorado's co-ops. In addition, **11** editions of the *Industry Update* were published.

Dinners were held in Washington, D.C., with Representative Cory Gardner (R-District 4) and Representative Scott Tipton (R-District 3). These dinners

were a chance for a small group of CREA staff, board members, and general managers to spend some quality

Now that you've reviewed some of CREA's accomplishments for 2011, read a more in-depth report in the Year In Review included in your annual meeting packet. Show this page on your smart phone or tablet to someone at the CREA registration desk and receive 3 additional raffle tickets.
